5 Lennard Street EATON WA

4 2 2

If 'character', 'fireplace', 'side access' and 'kids haven' are a few of the words you're looking for in a property, then this is a must view! An original home, there's nothing else like this!

From driving along the banks of the Collie River to the moment you pull up in the driveway, this lovely home presents well! The double volume living area and fireplaces just add to the ambience. A playground, veggie patch, chook pen and citrus trees welcome you to the backyard where the kids have the opportunity to skate on the driveway or play on the lawn under the mature trees.

Cold winter evenings or warm summer afternoons: this house has you covered! Tile fire in the family room, gas heater in the lounge, split systems in two main bedrooms plus air transfer system and evaporative air-conditioning

Price : $ 412,500
Land Size : 1011 sqm
