

10 Bass Entrance LESCHENAULT WA

4 2 3

This stunning Summit built home sits on a serene 1 acre lifestyle lot just minutes from the Australind Estuary.

The first thing you will notice is just how much space this property has, inside and out. There is a triple garage with extra storage for tools, a colossal open plan family, dining and kitchen area as well as a home theatre and games room - Plenty of space for everyone in the family. Outside there is also plenty of room for your caravan and boat!

The designer polished concrete flooring throughout gives the home a luxurious touch. The open plan living, kitchen and dining area is bright and filled with natural light creating a warm inviting family area.
