SOLD BY JAY STANDLEY!

Located in the beautiful leafy, tree-lined suburb of Eaton, this solid, split level family residence in a spacious block offers perfect family living and is waiting for one very lucky family to snap it up.

Built in 1999 on a massive 959m2 block, this family home provides a perfect floor plan with 4 bedrooms, 2 bathrooms, open plan living, lounge, games room, study, fully equipped kitchen and lots of added extras. The spacious master bedroom features ensuite and a walk in robe and minor bedrooms are fitted with built robes.

This light & bright home is designed to maximise the sunlight, natural air and views of the leafy garden and surrounding tree lines to living areas, rooms and the kitchen.

There are plenty of leafy outdoor spaces in this property for your kids to play, for your daily exercise routine or to spend some quality time with your family in your own garden. In addition, the outdoor paved area is a perfect place for a BBQ night or to entertain you
