3x1 With Huge Yard and Endless Potential

Whether you are looking for your first property to move in to or a solid investment for the future, this fantastic home is for you. Set in a quiet street, this low maintenance freshly painted home offers 3 spacious bedrooms, a large front lounge room and a kitchen with adequate cupboard space which overlooks the dining area.

Outside extends on to a patio which overlooks a large and very low maintenance backyard which has endless potential and room for a shed and a pool. Also outside, on your front door step, you can take advantage of the basketball courts and oval directly opposite you. What a lifestyle you can have.

Set on a 681m2 block and located in family friendly spot only moments from primary & high schools, sporting facilities, the beach and CBD this property wont last long!

Call me, Jacob Williams today for your own private viewing.
